

FRI., DEC. 21, 6:00 P.M. BLUE CHRISTMAS

Candlelight Service on the Longest Night of the year

The holidays are always full of heightened emotions and expectations. It is easy to get lost in the demands, activities, and consumption of this time of year. Besides excitement and joy, many of us also feel anxiety, addiction, stress, loneliness, depression, overwhelm, frustration, grief, loss, uncertainty. This service provides an opportunity to slow down and acknowledge the more difficult emotions of the season. We will provide a space for anyone having a difficult time during the holidays or anyone needing to acknowledge any pain or loss they are carrying in the midst of this season of celebration.
